Things are going well in the vineyard this year. The grapes are growing like crazy with all this warm weather and we hope to have a great crop, provided the weather cooperates. Earlier this spring, we removed our Kay Gray vines and replanted with more Edelweiss. It appears to love to grow in central NH.

On June 13th we participated in the 1st annual NH Winery Association festival. It was a huge success with over 800 people attending. That is great news for the wine industry in the state. Thanks to all of you who attended and supported our businesses.

We recently started selling our wines in the Wild Goose Country Store in Sunapee Harbor. Stop by for some wine and other NH Made goodies. The MillstOne Bistro and Wine Bar in New London is also selling our wines. They have our wines paired with some of their fabulous dinner specials.

Upcoming Events

We have a couple of upcoming events planned – the LakeFest in Meredith on Thursday evening, July 8th and a cruise on the M/S MT. Washington on Winnepesaukee on Thursday evening, August 5th. It would be great to see you at these events.

If you're looking for a place to hold a small event, like a bridal shower, baby shower or corporate meeting, we have space available for up to 40 people.

Haunting Whisper Vineyards a cultural attraction located in the NH Lakes Region with panoramic lake & mountain views offering red, white and fruit wines produced in New Hampshire.
